The bills to incorporate Union Lodge, No. 99, in the town of Salisbury; to amend a former act to incorporate the town of Gatesville, in Gates county; to repeal an act to abolish jury trials in Rutherford and Cleveland County Courts; to amend the Revised Statutes in relation to apprentices; were severally read the second time and passed.

The special order of the day, being the bill calling a convention to amend the Constitution to amend the Constitution of the State, was then taken up, and read the second time, when Mr. Woodfin proceeded to address the Senate at considerable length, in favor of the Bill.—Mr. Bower moved its reference to the Committee on Amendments to the Constitution, and the Senate agreed to refer.

In the Senate, on Dec. 5th, Mr. Woodfin, from the Committee on the Judiciary, to whom that subject was referred, reported a bill to amend an act of the General Assembly of North Carolina, passed at its session of 1848, entitled an act, more effectually to prevent the selling or giving away of spirituous liquors, at or near places of public worship; which was read the first time. Saunders' Resolutions, instructing that Committee to enquire into the expediency of making certain alterations in the Constitution. The same Committee, reported unfavorably upon the proposition to leave it to the people, whether they will have a Convention, either with restricted or unlimited powers. So that out of all the questions of Constitutional reform submitted to the Committee, they simply recommend the abrogation of the property qualification in voting for Senators—to be effected by Legislative amendment of the Constitution.

In the Senate on Dec. 6th, Mr. Watson presented a bill to repeal the act of 1846—49, providing for the support of a system of International Literary and Scientific exchanges. Editor's Correspondence.

WILMINGTON, Dec. 3, 1850.

BRO. GORMAN: It is with much pleasure I inform you of the re-organization of Hanover Division, No. 45, Sons of Temperance, in this town, with NINETY good names as members. This morning we had a meeting and our worthy brother P. S. White delivered the following officers: Jas. Cassidy, W. P.; B. I. Howzo, W. A.; Samuel N. Cannon, R. S.; J. D. Gardner, A. R. S.; N. Harris, F. S.; B. L. Hoskins, T. F. C. Singletary, C. B. Munsey, A. C.; E. Pierce, I. S.; S. R. Ford, O. S.; Thomas D. Meares, P. W. P.; Rev. James McDaniel, Chaplain.

Our worthy brother, P. S. White, delivered a Lecture in the first Baptist Church on last Saturday night, to a crowded house, and the result of the first lecture was about sixty-five names as applicants for membership to our Division. On last night, Bro. White delivered another Lecture in the Methodist Episcopal Church, to a very crowded audience, and some thirty names were presented for initiation to the Sons. Our prospects are now very flattering, and I have no doubt of our going ahead.

Yours, in L. P. & F.

WILMINGTON, Dec. 3, 1850.

BRO. GORMAN: The 3d day of December, 1850, is a day that will be long remembered here. I never in all my life have seen a Division opened with such bright prospects. Men of all societies, except the Roman Catholics, joined in with us—Episcopalians, Methodists, Baptists, and Presbyterians—all came up to the work manfully, and the Division opens with upwards of ninety members, most of whom are men of influence. It would have gladdened your soul to have been in the meeting this morning. Every heart appeared to be full of joy. On taking the chair of P. W. P. Thos. D. Meares, Esq. made one of the most appropriate and soul-inspiring speeches I have ever listened to. We are out of the mire now, and on firm ground, with a good strong team, so that we now feel safe. By using care and diligence, I firmly believe that the Division here in the course of six months will number 150, if not more. We have the right material in men of influence, and men who will work for the cause.

Respectfully,
J. R. W.

DECEMBER 5th, 1850.

BRO. GORMAN: As I have seen no account of the progress of the Sons of Temperance in this county, it may not be amiss to give your numerous readers a short history of the Temperance Reformation in its present form in this (Greene) county. In September 1848, Bro. Pearce, the Traveling Agent, visited Hookerton, in this county, and organized Hookerton Division, No. 73, and afterwards visited Snow Hill and organized the Division there. Since that time, our progress has been onward; the two Divisions number now about one hundred.

On the 11th ultimo, that good and great man, P. S. White, lectured at Snow Hill, and since that time there has been considerable increase in both Divisions. The "big drops" are beginning to fall, and through his influence, since that time, we have had a Union of Daughters organized at Snow Hill, called Hope Union, No. 9, with good prospects ahead. The good effects are not only being felt in the social circle, but they are manifest in almost every department of society. During the electioneering campaign, last Summer, there was not a treating candidate in the county, and the result was, that there was but one fight during the campaign. At the last term of our county court, there was not a single presentment before the Grand Jury, and I understand there were but few presentments at the Superior Court in October. But that is not all; it is with the greatest difficulty that license to retail liquors can be obtained. All the Magistrates were on the bench to transact some business last court, and a Demijohn of a retailer, asked for a renewal of his license, and there were but four of them, who voted to grant them. Now, I would ask if four out of twelve or fifteen Magistrates all on the bench at the same time, have a right to grant license when the rest object, or does it not take a majority? If you will send Bro. White this way again I think we will succeed in shutting up all those "breathing holes of hell," as he justly calls them.

G.

HENDERSON, Nov. 17th 1850.

BRO. GORMAN: Yesterday was a day that will long be remembered by the Sons of this Division. According to previous arrangements, the Committee appointed went down to Warrenton on Friday, to receive and escort, P. M. W. P. Philip S. White to this place.

About 12 past eleven o'clock, his arrival was announced, and soon the procession was formed, and preceded by a band of music engaged for the occasion, marched to Hayes' Hotel, to receive him, and from thence to the Rail Road Warehouse, where a stand had been erected, and seats prepared sufficient to accommodate 400 persons, which were soon filled and a large number were compelled to stand, or occupy such seats as could be found amongst the freights piled up on one side and in the rear of the stand.

The opening Ode having been sung, the W. P. introduced Bro. White to the audience, who entertained them in a speech replete with arguments, interspersed with wit, humor, and anecdote, by which their attention was kept enchained by the speaker, for about an hour and a half. At the conclusion, a call was made and six individuals presented their petitions for membership, and a number of gentlemen determined to petition for a Charter to form a Division about 10 miles from this place, neither of whom are members of the Order, while others living in and near here are forming themselves into a club, proposing 25 names at one time for mem-

bership. Some 10 or more signatures have been received, and it is hoped the requisite number will soon be obtained. Our Division is on the increase; union and harmony prevail amongst us, and while there is great opposition manifested by some few individuals to the prosperity of our Order, we look forward with pleasing anticipations to the day when all opposition should be subdued, and when the broad banner of Temperance with its ample folds shall encircle every rum-seller and rum-drinker in our good old Commonwealth.

Yours, in L. P. & F.

Extract of a letter, dated

Tarboro', Dec. 7, 1850.

We are advancing slowly but steadily. The day is not far distant, I trust, when we shall be powerful in numbers. For the few weeks that our Division has been in existence, we have advanced from fifteen to thirty-seven. Send us your paper. Let us inform ourselves thoroughly upon the excesses of intemperance and the benefits of Temperance throughout the length and breadth of the land.

Yours, in L. P. & F.

TEMPERANCE CELEBRATION.

The Sons of Temperance at Moore's Creek Division, No. 142, having been informed that the Ladies desired to present them a handsome Bible, as a mark of their high admiration for their noble and continued efforts in the cause of the great reform of the age, Thursday, the 14th of November, was appointed for the Division to receive the present. The Division, at 11 o'clock, was formed in procession by J. McDuffie, Marshal, and his assistants, and marched with their appropriate Regalia in double-file, accompanied by a large number of Sons from the neighboring Divisions.

After entering the Church, an appropriate ode was sung by the members, when the exercises of the occasion were introduced by prayer from the Rev. A. B. Alderman, Chaplain. The Marshal then intimated that the time for the presentation of the Bible had arrived; when Miss M. M. Henry, supported by two of her associates, with great ease and dignity presented the Bible with some happy remarks. Dr. C. T. Murphy accepted the Bible in behalf of the Division.

Bro. Jno. T. Moore being requested to deliver a Temperance Address, made one of his most happy efforts—it being an overwhelming defence of the Order of the Sons of Temperance.

After an intermission of an hour, the large assembly collected again in the Church, when a call was made for an address from Bro. W. H. McMillan, who arose and nobly sustained his reputation as a Temperance Lecturer. Dr. G. T. Murphy being next called up, spoke at length with great ability of the evils of intemperance both physically and morally.

Thus Mr. Editor, closed the first celebration at Moore's Creek, the good effects of which may be felt till the last syllable of time.

[The remarks of Miss Henry, as well as those of Bro. Murphy, are well-timed and appropriate, but as we have declined the publication of many other similar addresses, it would be unjust to publish these. We have been forced to the alternative of either publishing only some of the many presentations and reception speeches which are sent to us, or of rejecting all. This latter alternative we have adopted—for were we to publish all, our columns would be entirely monopolized with them—whereas if we were to publish any, we would lay ourselves liable to the charge of invidiousness and partiality.—a charge we do not intend to incur. We beg our Moore's Creek brethren to excuse us, under the assurance that stern necessity has driven us to this course. We have on hand at least 10 columns of speeches delivered on similar occasions, which we have been compelled to decline.]—Editor.

MECHANICAL MEETING

An adjourned meeting of the Mechanics of Fayetteville was held on Saturday evening, 30th ult.; to take into consideration the growing evil of free negro competition in the mechanical arts.—The Chairman stated the object of the meeting to be, to take proper measures for memorializing the Legislature of North Carolina in regard to free negroes; and to request that the present corporation laws be enforced upon this class of persons.

The Committee appointed at a previous meeting to take the object into consideration, after stating that they had corresponded with citizens of all the principal towns in the State, and found them anxious for a reform, submitted the following report:

That we recommend to the Mechanics of North Carolina to memorialize the Legislature of the State to make it incumbent upon the County Courts to require every free negro in the State to register his or her name, and to lay a tax upon each one for the purpose of aiding the emigration of such free negroes as will emigrate to some other State, or to some other country; and to require that all children of free negroes, 8 years old, born after Jan'y 1st, 1850, shall be bound out to some responsible white person for ninety-nine years.

We further recommend the mechanics to pray the Legislature not to pass any more special acts emancipating slaves.

That we further recommend them to pray the Legislature to seriously consider the propriety of furnishing aid to such free negroes as desire to emigrate to Liberia, or some other country, and have not the means to do so.

We further recommend them to represent that the tax on real estate is far more onerous than the tax on merchandise. For instance, two men have a capital of \$14,000 each—the one invests

it in real estate, and he has to pay a tax of \$70; the other invests his \$14,000 in merchandise, and only pays \$16 tax.—We therefore believe that the Legislature ought to tax all merchants in North Carolina, say 200 per cent, over the present tax, who sell merchandise the manufacture of other States.

The report was unanimously adopted: and on motion, the thanks of the meeting were tendered to the Committee and they were discharged.

On motion of A. A. McKethan, a committee consisting of Jos. Arey, Duncan McNeill, James Sunday, I. W. Clark, W. H. Bayne, and G. W. Rose, was appointed to draft a memorial, embodying the sentiments of the above report, and procure signatures, and forward it to our representatives in the General Assembly.
